judique on the job the long road to my career is a lighthearted memoir detailing the author s experiences growing up on cape breton island travelling partying and his never ending trials and tribulations trying to find a career that would be satisfying on all levels in his search the author had about eighty different jobs many of them unique and interesting with a friendly and folksy tone the book takes the reader on a tour of his adventures in employment including work in correctional services automobile repossession

student recruitment and the military the author also gives us the inside scoop on working as a film extra rickshaw runner doorman and working numerous positions in the hospitality industry the book will inspire and reassure younger readers struggling to find success and happiness in their work lives it will also appeal to anyone with a sense of humour and an appreciation for a good story filled with joie de vivre the book's unique title was inspired by a spirited local saying in judique cape breton island judique on the floor the expression is well known in the area but its certain origin is not as judique was long thought to have the best step dancers in the area if a judique native stepped onto the dance floor people would shout judique on the floor to alert other dancers they might as well throw in the towel there is a second part to the story where apparently judiquers also liked to fight so if they were not in the mood to dance someone would sound the battle cry judique on the floor who will dare put us off and one or more fisticuffs would ensue this bit of local colour makes for an apt moniker for this unique and humorous tale

do you like helping people would you like to help feed hundreds of people each day then you might like to go on the job at a farm discover what the key business of farming is all about

no amount of career counseling is going to help you figure out how to get a coworker to quit snooping through your e mail how to deal with an underground romance that has accidentally become public knowledge or how to regroup and save face after a disastrous client meeting finally here's a book that explains how the world of work really operates and how to navigate it on the job combines the hard hitting advice of stephen viscusi one of today's best known experts on job related problems with enlightening this could happen to you scenarios and true life stories in this manual for every kind of on the job predicament viscusi provides strategies for keeping your balance and sanity in an unpredictable and frequently unfair world establishing an identity that reflects your skills and goals but not your most intimate secrets communicating effectively in every venue from meetings to e mails to gossip whether you're starting out on your first job or you've been at it for twenty years on the job is the only book about working you'll ever need

this document reports the oral and written testimony of witnesses who appeared before a house of representatives hearing centered on the accomplishments of the job corps and the need for a new job corps center in fresno california the job corps is a 25 year old program that trains disadvantaged youth and places them in jobs witnesses who included federal and local officials and business and union representatives testified that the job corps has had a long record of accomplishments and that having a job corps center in fresno would be good for the area which has a high dropout and youth unemployment rate they strongly urged the establishment of a job corps center in the city kc

in recent years a flurry of reports on downsizing outsourcing and flexible staffing have created the impression that stable long term jobs are a thing of the past according to conventional wisdom workers can no longer count on building a career with a single employer and job security is a rare prize while there is no shortage of striking anecdotes to fuel these popular beliefs reliable evidence is harder to

come by researchers have yet to determine whether we are witnessing a sustained economy wide decline in the stability of american jobs or merely a momentary rupture confined to a few industries and a few classes of workers on the job launches a concerted effort to reconcile the conflicting evidence about job stability and security the book examines the labor force as a whole not merely the ousted middle managers who have attracted the most publicity it looks at the situation of women as well as men young workers as well as old and workers on part time non standard or temporary work schedules the evidence suggests that long serving managers and professionals suffered an unaccustomed loss of job security in the 1990s but there is less evidence of change for younger newer recruits the authors bring our knowledge of the labor market up to date connecting current conditions in the labor market with longer term trends that have evolved over the past two decades they find that layoffs in the early 1990s disrupted the implicit contract between employers and staff but it is too soon to declare a permanent revolution in the employment relationship having identified the trends the authors seek to explain them and to examine their possible consequences if the bonds between employee and employer are weakening who stands to benefit frequent job switching can be a sign of success for a worker if each job provides a stepping stone to something better but research in this book shows that workers gained less from changing jobs in the 1980s and 1990s than in earlier decades the authors also evaluate the third party intermediaries such as temporary help agencies which profit from the new flexibility in the matching of workers and employers besides opening up new angles on the evidence the authors mark out common ground and pin point those areas where gaps in our knowledge remain and popular belief runs ahead of reliable evidence on the job provides an authoritative basis for spotting the trends and interpreting the fall out as u s employers and employees rethink the terms of their relationship

mastering the job search process in recreation and leisure services second edition is a practical guide full of tools and advice for recreation and leisure service professionals this book simplifies the process of securing a job in recreation and leisure service by explaining every step from both an employer s and applicant s point of view based on years of experience in the hiring process this book reflects research conducted with over one thousand recreation and leisure services practitioners involved in the job search process the book includes their advice as well as secrets to success
